As you see, FBC Eden financially supports many mission areas, not just areas on a map but also areas of many ages and needs. Volunteers represent FBC Eden in addition to the dollars we send. We partner with the local food bank handing out food three times a month, working along side many others from our community. Partnering with the Eden Public Library/Fig Leaf, Items that are not sold at the Fig Leaf resale shop are bagged for donation to one of three missions serving along the border. Volunteers also work with women in a shelter in Acuña.
